

Aces Among Us!

In December, the National Association of Plan Advisors (NAPA) announced the 2020 list of Top Retirement Plan Advisors Under 40—also known as “Aces.”

CAPTRUST’s [Kyle Campbell](#), [Shaun Eskamani](#), [Patrick Flint](#), and [Evan Holmes](#) were among the 100 advisors named to the list—and the competition was fierce. This year NAPA received more than 600 nominations, a whopping 20 percent increase from a year ago!

Annually since 2014, NAPA has been receiving and vetting applications for a coveted spot on this yearly list from its Broker-Dealer/Registered Investment Advisor Firm Partner nominees. The applications are then vetted by an expert panel of senior advisor industry experts.

This year the list was rebranded as “Aces” from its previous title of “Young Guns.”
