

## CAPTRUST Adds in Texas: Engrave Wealth Partners

**Raleigh, NC—January 18, 2024**—[CAPTRUST Financial Advisors](#) (CAPTRUST) today announced the addition of Engrave Wealth Partners (Engrave). The wealth management firm is based in The Woodlands, Texas, and oversees more than \$770 million in individual client assets.

Ten Engrave colleagues will join CAPTRUST, including Co-founders Greg Parker and Taylor Parker. The firm serves as a fiduciary to hundreds of clients focused within Texas, Louisiana, and California, with an emphasis on retirement planning for individuals, including tax planning and estate planning.

“We recognized the challenges of continuing to serve our existing clients at the highest level while continuing to grow,” said Greg Parker. “Ultimately, we were looking for a partner who could help us deepen our offering to existing clients while accelerating our organic growth strategy.”

The majority of Engrave’s client base are corporate professionals or small business owners nearing or in retirement, many with a background in the oil and gas industry. The team places a strong focus on tax planning and proactively preparing these high-net-worth individuals for retirement. This transaction marks the second CAPTRUST office in Houston—[Monroe Vos Consulting](#) joined the firm in 2023.

“The resources we are most excited to access at CAPTRUST are the investment and tax services,” said Taylor Parker. “They will significantly deepen the expertise we can offer and will elevate the experience we provide to our clients.”

CAPTRUST has continued to grow in Texas over the past year, with the addition of two more firms in 2023: [Omega Wealth Partners](#) and [Southern Wealth Management](#). The firm now has more than 170 employees in the state.

“The team at Engrave expands our offering in the Houston area with wealth management services,” said Rush Benton, CAPTRUST’s managing director. “We are excited to welcome yet another stellar team in Texas, now our second-largest employee presence in the country.”

Engrave joined CAPTRUST in late 2023, and, consistent with other transactions, Engrave will take on the CAPTRUST brand.

Waller Helms Advisors served as Engrave’s financial advisor in the transaction.
