

CAPTRUST Launches CAPTRUST Wellness Advantage: Powered by Cleveland Clinic

Raleigh, N.C.—October 7, 2025—[CAPTRUST Financial Advisors](#) (CAPTRUST) and [Cleveland Clinic](#) have launched the CAPTRUST Wellness Advantage: Powered by Cleveland Clinic to help clients align their wealth plans with their health plans. The program combines access to Cleveland Clinic’s medical services with CAPTRUST’s signature client service, offering a concierge-supported approach to both financial and physical well-being.

“Wealth without health is incomplete,” said [Eddie Welch](#), managing director and head of wealth management at CAPTRUST. “While we help clients build the wealth to achieve their goals, we also recognize that their quality of life—particularly in retirement—will be shaped by their health. This program allows our advisors to extend their support beyond finances, giving clients and their families access to Cleveland Clinic’s trusted care and guidance for a healthier, more fulfilling future.”

CAPTRUST clients can access executive health physicals—comprehensive, same-day assessments—provided by leading physicians at Cleveland Clinic’s facilities in Cleveland, Ohio, or Weston, Florida. These exams include cardiac and vision testing, advanced imaging, nutrition and fitness consultations, stress management, and gender-specific screenings.

“In less than two days, participants leave with a comprehensive understanding of their health, including proactive steps to address risks and support long-term vitality,” said Raul J. Seballos, MD, FACP, Enterprise Director in the Center for Executive Health Medicine at Cleveland Clinic.

Additionally, the program includes curated content via the Cleveland Clinic website for CAPTRUST clients, and access to clinical reviews, which provide guidance on complex medical diagnoses and treatment plans.
