

16 CAPTRUST Advisors on 2024 NAPA Top Women of Excellence List

Sixteen CAPTRUST advisors were named to the National Association of Plan Advisors (NAPA) [2024 Top Women of Excellence](#) list. The list acknowledges the contributions that women are making to the retirement industry and how they bring excellence to the profession. It includes three award categories: Captains, MVPs, and Rising Stars.

A record number of almost 800 nominees were considered for the list. These nominees responded to both qualitative and quantitative questions about their practice, as well as their accomplishments, their contributions to the industry, the state of workplace retirement plans, and how they give back. The winners were then selected by a panel of judges.
