

Two Individuals Named to *PLANADVISER* Top 100 List

Each September, *PLANADVISER* conducts its proprietary Retirement Plan Adviser Survey, which is later used to compile the Top 100 Retirement Plan Advisers list. According to *PLANADVISER*, “this list includes advisers who reach the top of their respective peer groups in terms of assets under advisement (AUA) or number of retirement plan clients, including defined contribution, defined benefit, and nonqualified plans.”

This year, CAPTRUST’s Texas-based Michael Maresh and Pennsylvania-based Scott Wertheim were named to the Top 100 list’s subcategory of “Individual Advisers With \$1 Billion or More in Retirement Plan Assets Under Advisement.”
