

Episode 75: Steven Horner on Fixed Income Solutions

In this episode, hosts [Matt Patrick](#) and [Jennifer Doss](#) discuss capital preservation investments with Steven Horner, fixed income portfolio manager at Franklin Templeton. Horner explains the differences between stable value and money market funds, emphasizing that stable value funds can offer higher returns due to longer-term investments and insurance protection. The discussion highlights various types of stable value options and key considerations for plan sponsors like transparency, cost, and termination provisions. It also touches on the current market volatility and its effects on these investments.
