

Fee Benchmarking Trends, What to Know about PEPs, and a Recap on the Market

## Episode 28

In episode 28 of *Revamping Retirement*, Mike Webb passes the hosting torch to Jennifer Doss and Scott Matheson, who lead the employer-sponsored retirement plan practice at CAPTRUST. The two discuss CAPTRUSTâ€<sup>™</sup>s recent fee benchmarking webinar, including the future of fees, structuring fees to make retirement plans more attractive, and what tops the list of fee-related concern for plan sponsors.

Later, Mike Webb shares what plan sponsors need to know about pooled employer plans, or PEPs, in *Minute with Mike.* To close out the episode, Doss and Matheson are joined by lead investment strategist Sam Kirby to recap the markets, discuss whatâ€<sup>™</sup>s on the minds of plan sponsors, and talk about the retirement tools that can hedge against inflation risk.
