

## 2026 Fiduciary Training Series, Part 1: Cybersecurity Risks in Retirement Plans (Webinar Recording)

Retirement plans hold trillions of dollars in assets, making them a potentially attractive target for cybercriminals. In this CE-accredited webinar, weâ€™ll explore the growing cybersecurity risks facing qualified retirement plans and the steps fiduciaries, service providers, and advisors can take to protect sensitive participant data and plan assets.

- The latest Department of Labor (DOL) guidance on cybersecurity for retirement plans
- Practical tips for hiring service providers with strong cybersecurity practices
- Cybersecurity program best practices for plan sponsors and recordkeepers
- The critical role financial advisors play in mitigating cyber risks

Through real-world examples, including recent litigation and regulatory developments, this webinar covers insights to strengthen your planâ€™s defenses and fulfill your fiduciary responsibilities.
