

The New Roth Catch-Up Rules (Webinar Recording)

Watch this webinar for a focused session designed to help retirement plan sponsors understand the implications of this change, prepare their plans, and ensure seamless compliance.

Key Topics:

- An overview of SECURE 2.0 Roth catch-up requirements
- Identifying impacted participants and key deadlines
- Catch-up election methods and plan design considerations
- Participant tax implications and correction options for plan sponsors
- Best practices for coordination with payroll providers and recordkeepers

Important Update: On Thursday, November 13, 2025, the IRS released the 2026 retirement plan contribution limits, which changed the FICA wage limit for determining mandatory Roth catch-up contributions from \$145,000 to \$150,000.
